comprehensive afterschool programs provide academic support along with enrichment activities, such as arts & crafts, cooking, gardening and music. Often, our program provides the only alternative for children in under-resourced neighborhoods to spend the afterschool hours in a safe and supervised environment. Family engagement activities are a part of our afterschool programs and include potlucks, events and showcases as well as educational workshops for parents/guardians on topics they choose, such as nutrition, saving for college, and helping with homework.

- Family Resource Centers - EBAC operates family resource centers in Hayward, Oakland, San Leandro and Fremont. Family resource centers offer convenient, inviting, and helpful places for parents to come for assistance in accessing a myriad of public benefits important to their family's health and wellness. With multilingual and multicultural staff, EBAC-run family resource centers help local families access the support services available to them so their children can thrive. Our

family resource centers provide services such as: healthcare insurance enrollment and retention (Medi-Cal and Covered California); application assistance for CalFresh (food stamps), CalWorks, Social Security, In Home Support Services, etc.; emergency food and clothing; information and referrals for child support, child care, housing, mental health services; Child Assault Prevention (CAP) workshops; case management; assistance with school enrollment; and translation and interpretation. Our family resource specialists speak 11 languages and generally come from the communities they serve.

- School-Based Health Center - The Frick School Health & Wellness Center is a community resource for convenient, high-quality health services for students and families of Frick Middle School and the surrounding East Oakland community. Services include: medical services, dental services, health education, counseling, case management, health insurance enrollment assistance, school nurse, and youth development. EBAC operates the Frick School Health & Wellness Center in conjunction with Native American Health Center. Services are provided at no cost and the health center serves children, teens, and adults.

Form 990, Part III, Line 4c, Program Service Accomplishments:

Programs include:

- Intensive Counseling Enriched Classrooms - Therapeutic classrooms enable children that require more support than available in mainstream classrooms settings to learn techniques for self-regulating their emotions and behavior while receiving academic instruction. An EBAC

behavioral health therapist works with each child based upon their individualized treatment plan. Behavioral coaches shadow the children all day long in the classroom providing real-time intervention and affirmation to support positive behavioral changes and self-regulation. Nearly 100 children receive these intensive behavioral health services from EBAC annually in 5 classrooms in the Alameda and Oakland Unified School Districts.

- EPIC - This program provides early childhood education and comprehensive mental health services for children ages 2 to 6 who need additional support with social, emotional and learning difficulties. Children are referred to the program if their behaviors make it difficult for them to succeed in their current preschool or day care settings. They may have difficulties with aggression and disruptive behaviors, experience sadness and fearfulness, or have had family difficulties. Teaming with the parents, guardians, and community support is an essential component of our comprehensive program.

- Youth Empowerment Services (YES) - Youth exiting the juvenile justice system require specialized support to give them the best possible chance of success in their transition back to school and home life. EBAC case managers are paired with teens leaving the Alameda County Juvenile Justice Center. These case managers work in tandem with the teen to ensure he or she abides by the terms of probation, enrolls in school and attends, receives necessary and/or court mandated counseling, and integrates into a safe family environment.

Form 990, Part VI, Section B, Line 15:

On an annual basis, EBAC compares all salaries and benefits to the Non-Profit Management Center's Fair Pay for Northern California Non-Profit's Wage and Benefit Survey. Salaries are compared to the median rate for non-profit agencies that have more than 100 employees. Our goal is to pay no less than 88% of the surveyed median rate. For positions that are not found in the survey, we compare to our closest competitors' salaries and/or have our compensation consultant research a specific job title and salary in the general market. The Board reviews the comparative survey in order to set the CEO's compensation, which is documented in the minutes.

The CEO annually sets the salary and compensation for the other senior management following their annual evaluation.
